EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jim Wray, no. 22,693 on 20 June 2005. The examiner suggested the amendment to place the claims in condition for allowance by adding a limitation from dependent claim 4 into independent apparatus claim 3.

2. The application has been amended as follows:

3. In the claims:

a. Claim 3: the following has been inserted at the end of the claim: --, and wherein the coating and water application unit further comprises said at least one transfer roller in the shape of a screen roller transferring coating directly from the doctor blade system to the blanket cylinder--.

b. Claim 4: has been cancelled.

Allowable Subject Matter

4. Claims 1-3 and 6-11 are allowed.

5. The following is an examiner's statement of reasons for allowance:

Art Unit: 2854

a. Regarding claim 1, the prior art of record does not teach or render obvious a method for operating a printing unit in an offset machine having all of the steps and structure as claimed, including a wherein the coating and water application unit comprises transfer rollers in the form of a screen roller and a rubber roller for transferring water from the doctor blade system to the plate cylinder and one screen roller for transferring coating directly to the blanket cylinder with no intervening cylinders between the blanket cylinder and the screen roller.

b. Regarding claim 3, the prior art of record does not teach or render obvious a printing unit having all of the structure and functionality as claimed, including wherein the coating and water application unit is arranged movably between a first position for bringing said at least one roller in contact with a roller engaging the plate cylinder, and a second position for bringing said at least one roller in direct contact with the blanket cylinder of the printing unit with no intervening cylinders between the blanket cylinder and the screen roller.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Leo T. Hinze whose telephone number is (571) 272-2167. The examiner can normally be reached on M-F 8:00-4:30.
